- Experience with natural gas industry
- Experience with GPS and/or GIS systems and software

MINIMUM QUALIFICATIONS

- High School Diploma or Equivalent
- Able to work independently and be self-motivated
- Able to work with minimal supervision or assistance from others
- Possess good written and verbal communication skills
- Physically prepared for hands on job tasks in all types of weather conditions
- Able to pass initial and continuous federally required Operator Qualification evaluations
- Able to effectively operate various company supplied equipment
- Willingness to travel, including overnight stays
- Maintain a positive work atmosphere through effective interactions and communications with co-workers, management, and clients.

- Maintain a safe environment for co-workers, clients, and the public through adherence to established safety standards and timely reporting of potential hazards
- Must possess a valid driver's license and a good driving record
- Able to pass a background, driving, employment history, and drug/alcohol screening

ABOUT USDI

Utility Safety and Design, Inc. (USDI – www.usdi.us) provides professional engineering and design, consultation, construction, and operational services for owners and operators of natural gas facilities, including transmission operators, municipalities, master meter operators, and local distribution companies. Whatever your natural gas needs, USDI is your full-service partner. Since 1969 we've served more than 500 pipeline, master meter, municipal, and utility systems across the Midwest – some with a single service (such as leak surveys, cathodic protection surveys, regulator station inspections, and plan development and implementation), others as professional engineers, and still others as the operator of record. USDI provides full-spectrum natural gas solutions through 1) up-front consultation, 2) strategic engineering and design, 3) affordable construction services, and 4) total operational support.

BENEFITS

USDI offers an excellent benefit package and compensation that will be commensurate with the level of experience, skills, and ability possessed by the candidate. USDI benefits include the following:

Medical Insurance
Dental Insurance
Vision Insurance
Life Insurance
Short- and Long-Term Disability Coverage
401(k) Retirement Savings Plan
Paid Time Off (PTO)
